

UM TUITION FEES FOR THE 2021/2022 ACADEMIC YEAR – FULL-TIME STUDIES

Tuition fees for full-time studies under the 1<sup>st</sup>- and 2<sup>nd</sup>-cycle study programmes as charged to students who have already acquired qualifications corresponding to at least the level of education they are enrolling in, and to students who have not yet acquired qualifications corresponding to at least the level of education they are enrolling in providing they have already exercised their right to free study, as well as to foreign students or citizens of non-EU Member States and Slovenians without Slovenian citizenship.

Faculties planning the above-standard implementation of studies in the 2021/22 academic year (e.g. implementation in the English language) include a financial contribution for the above-standard implementation in the tuition fee rate. Criteria for the above-standard implementation of the study programme are set by the faculty. The student council of the faculty has to give its consent to the criteria for the above-standard implementation which are then adopted jointly with the price list by the Management Board of the University of Maribor.
