- for **Slovenians in Border Regions and Abroad** after the **first application period for master's studies**:

/

For other 2nd- and 3rd-cycle study programmes implemented by the members of the University of Maribor, the number of applications did not exceed the number of places available for enrolment in the upcoming academic year.

Members of the University of Maribor shall decide at their own discretion whether to offer the remaining available enrolment places for citizens of the Republic of Slovenia and other EU Member States in an additional [application period for still-available enrolment places](#) that will be open **from 22 September until 23 September 2026 at 12 p.m. (noon) CET**. In this additional application period, Slovenians in border regions and abroad and foreign nationals – citizens of non-EU Member States may also apply if the faculty makes that decision; however, as per priority order, enrolment places will be first filled by citizens of the Republic of Slovenia and other EU Member States, followed by Slovenians in border regions and abroad, and lastly by citizens of non-EU Member States – foreigners. **Notwithstanding the decision of the faculty, it shall apply, that within the additional application period for still-available enrolment places, only Slovenians in border regions and abroad, as well as citizens of non-EU Member States – foreigners, may apply, provided that, for enrolment, they do not require a direct interview to assess the suitability of the candidate in accordance with the enrolment conditions of the study programme, as stipulated in the sixth paragraph of Article 13 of the Higher Education Act (ZViS-1), or that they have successfully completed such an interview within previous application periods, and provided that, for enrolment, they do not require a decision on the recognition of foreign education for the purpose of continuing education at the University of Maribor, or that they have already obtained such a decision.**

Information on enrolment places offered in the additional application period and whether these places are also available to Slovenians in border regions and abroad and citizens of non-EU Member States – foreigners will be posted on the my.UM website **on 21 September 2026**. More about the additional application period for still-available enrolment places is available in the [Call for Enrolment](#).
