RECOGNITION OF FOREIGN EDUCATION FOR THE PURPOSE OF FURTHER EDUCATION AT THE UNIVERSITY OF MARIBOR

In Slovenia, under the Assessment and Recognition of Education Act (ZVPI), candidates who have finished their studies in a foreign country (not Slovenia) and would like to continue education at the University of Maribor are obliged to acquire a decision on the recognition of foreign education (if they have not obtained one already).

In this case, the application form for enrolment is also an application for the initiation of the process of recognition of foreign education for the purpose of further education at the University of Maribor (if the candidate states in the application form that he/she has finished previous education outside of Slovenia and not yet obtained a decision on recognition of foreign education). The form is submitted via the eVS web portal ([http://](http://portal.evs.gov.si/prijava/?locale=en)

portal.evs.gov.si/prijava/?locale=en) within specified time periods when the call for applications is open.

The decision on recognition of foreign education for the purpose of further education at the University of Maribor is a mandatory document for the candidate's enrolment application to be complete.

Candidates are recommended to begin the process of recognition in a timely manner. The deadline for issuing a decision on the recognition under the Assessment and Recognition of Education Act (Official Gazette of the Republic of Slovenia, No. 87/2011, Official Gazette of the Republic of Slovenia, No. 97/2011 - corr. and Official Gazette of the Republic of Slovenia, No. 109/2012) is two months from the receipt of a complete application.

Did you know that over 56% of the Slovenian territory is covered in forests, which places Slovenia among the 3 most forested countries in Europe?

If you have completed your primary or secondary education in Slovenia or have already obtained an undergraduate degree in Slovenia, you do not have to take the Slovene language exam.

HOW MUCH DO I HAVE TO PAY FOR STUDYING?

The amount of the tuition fee is set by the relevant educational institution and is equal to the tuition fee of part-time study programmes for Slovene citizens. The tuition for the current academic year must be paid upon enrolment. The price list is available at: moja.um.si/en/future-students/Strani/co-funding.aspx.

Foreign citizens who reside in the Republic of Slovenia and are taxable persons there (or their parents/ guardians), EU citizens, and citizens of countries Slovenia has concluded bilateral agreements with are exempted from paying the tuition fee for full-time undergraduate and postgraduate master's study programmes (2nd-cycle).
